The meeting began at 6:30pm with a welcome greeting from President.

She explained that this was election night and anyone who had not voted needed to cast their ballots within the next five minutes. She stated that it was also Game Night so we would play various games while the ballots were being counted.

Elections Coordinator Marilyn Pittman asked if there were any self nominations from the floor before she took up the ballot box to be counted. Being none, Marilyn and the Election Committee retired to the kitchen to count ballots.

VP Marla C reminded all that two events were coming up on the calendar — the November member meeting was a Showcase of Talent and the December party was on 12/12/24. Ticket information would be emailed soon.

VP Kathy T reported that membership topped 630 and thanked all members who had voted.

At 7pm, Elections Coordinator presented the ballot count to President. President announced that all positions except Treasurer were uncontested and therefore 8 candidates won by acclamation.
